Informal Resolution Response

NAME: Gilbert-Bey, Reginald
REG NO. 03854-078

In your request for "Informal Resolution", you are accusing a special housing unit officer of confiscating legal documents pertaining to a civil case and not returning them to you on October 7, 2005. You further claim you were forced to stand in the rain for an hour in the outside recreation cage without a coat or a hat.

On the day in question a mass shakedown of the special housing unit was conducted. All excess property and contraband was removed from cells. All of the excess property belonging to inmates was placed in their property in the property storage room. At no time during the shakedown was legal paper work removed from inmate cells.

In regards to your complaint about being left out in the recreation cage in the rain. Inmates are asked by the recreation officer in the morning if they want outside recreation for that day, you have the option to refuse or take recreation when asked. You also have the option up until the time officer comes to take you to recreation to refuse it. You have been housed in the special housing unit now for eight months and I am sure you know the procedures when requesting recreation. You elected to participate in outdoor recreation that day, you were not forced.

Please Respond In Writing

Re: 3rd Request-Personal Educational Correspondence Course Materials from American Open University:

Mr. Flatt:

Today, and on 2 December 2005 I addressed you about receiving my request of "6 November 2005" specifically stating: "Upon arriving at this prison from FCI Oakdale, Louisiana my Correspondence Course materials of books and tapes were forwarded too here, which have been held in your department. October 24, 2005, I received a DHO disciplinary transfer order.

Please, provide me with a detailed, complete inventory list of books (titles) and tapes (cassettes) of my property, and a Inmate Property Form, listing such. Also, please allow me a sufficient opportunity to personally view this property, and placement of such with the rest of my property here in SHU.

In advance, thank you, for a timely response."

To: Mr. Flatt, Sup. Educ. Gilbert Bey, #03854-078
RE: Personal Educational Correspondence Course Materials: 9 Dec. 2005

1. Given the aforementioned request, I have spoken to you twice since forwarding this too you, requesting a written response.

2. Again your department of education seems to be the only department and staff who conveniently never receives particular inmate request.

3. In requesting a direct and specific response I based upon additional conversation request the following answers:
(a) Why was my legitimently approved "Educational Correspondence Course sent to the religious service department?
(b) When was it sent too religious services?
(c) Enclosed documents clearly, explicitedly inform you that said educational materials were for a correspondence course from American Open University, bachelor's degree program; what does religious services have authority over such materials for?
(d) Why was I not notified about over $1,000.00 of my educational [materials] transferred from department to department?

4. I now request, that you obtain my legitimently approved educational material from whoever have illicitedly and maliciously confiscated such and forward it to my transferring institution.

5. Your department denies inmate in SHU under administrative detention several programs and general resources which are provided general population, which is in fact a policy mandate violation. One of which is my right to correspondence and educational courses;

To: Mr. Hatt, Sup. Educ.

RE: Personal Educational Correspondence Course Materials:

7. Please, provide me with a complete inventory of all of my property your department turned over to education; including official documents and files from both authorities from FCI Oakdale and American Open University

In advance thank you for a timely response.
